and soon my hand crept down inside my knickers. I started to play with myself, ruffling the hairs on my bush and pussy lips, then dipping in between them to tease my clit. I touched myself really gently, delaying fingering my hole for as long as I could stand to. Then, when I let just the one finger stray into it, I felt all the juices that had welled up in it run down my crack. Thinking that nobody was around to see or hear me, I really let myself go, moaning softly and splaying my legs open as I finger-fucked my sopping fanny.

I'd shut my eyes, but just as I was about to come I opened them – and saw two blokes standing watching me. My knickers were soaking wet and, as I'd pulled my gusset to one side, my pussy was on full display. Shocked and embarrassed, I whipped my skirt down to cover myself up. Then I heard one of the blokes say in English, "I've seen her around, she's Simone's friend."

"She would be," said his mate, and they both laughed loudly. I wasn't sure I liked the sound of this, so I asked him what he'd meant by it. He laughed again and explained that a couple of months ago, he and his friend had found out that Simone had been two-timing them with each other. When they'd confronted her, she'd

Hope you don't mind a girl writing to you, but I'm dying to brag about the biggest sexual adventure I've ever had and as I read your mag anyway, writing to you seemed a natural thing to do.

Last summer I visited my pen pal Simone, who lives in a beautiful little village in Italy. In the daytime, while she worked, I kept myself amused exploring the countryside.

One hot afternoon I was doing just that, rambling slowly around the outskirts of village, enjoying the fresh air. When I stopped for a rest in a field, I sat down on a big rock in the shade of a stone wall, enjoying the coolness of the rock against my bum through my thin cotton knickers. It was so quiet, there wasn't a soul around, and it was nice and cool in the shade, so I hitched my skirt right up and spread my thighs, letting my pussy feel the benefit.

When I get this relaxed I start getting turned on too,

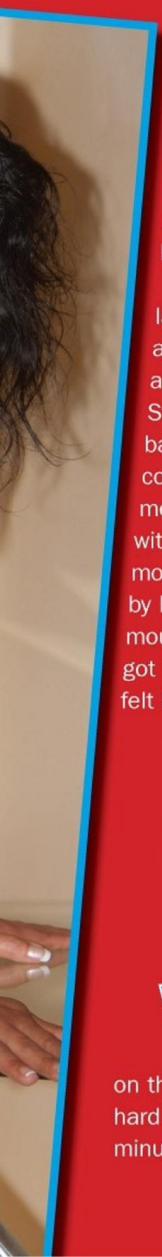
just smiled and suggested they all have a threesome together.

They'd been too flabbergasted to argue, and after the first few minutes they'd stopped caring. Simone had spent the whole night sucking and fucking their cocks, going all out to please them, and ever since then, they'd been getting more of the same on a regular basis.

I was amazed. Simone had briefly mentioned having a couple of men in her life, but not that she had been seeing them both at the same time! Not that I blamed her; they were both gorgeous! As we chatted, one of the blokes – Franco – dropped a not-too-discreet hint about me joining them and Simone for a foursome.

At first I wasn't sure about it, but the more I thought about it, the more I liked the idea. I'd have fucked either one of them on his own, so why not both of them at once? After all, it was their fault that I hadn't come while I'd been frigging myself, so I said flirtatiously, and quite directly, that I'd think about a foursome with Simone, but that they had to persuade me first and they also had to bring me off.

A couple of minutes later, after moving to a slightly-less public area, the other bloke – Stefano – was on his back with me riding his cock, while Franco kissed me and rubbed my clit with two fingers. My moans, muffled slightly by Franco's tongue in my mouth, got louder as I got closer to coming. I felt him place my hand on the crotch of his shorts, so I could feel the bulge of his big, hard prick. After massaging it through the flimsy material for a minute or so, I pulled it out and started playing with it, sliding his foreskin up and down his shaft. Franco groaned and I felt his dick twitch in my hand. I reached further down, taking his balls in my hand and rolling them round, squeezing them gently. I got the feeling that this was Franco's thing, because as I played with his bollocks his dick got harder and harder until he pulled away from me, stood up and positioned his hips near my head, feeding his bulging tool into my waiting mouth. I slurped away at it, relishing the musky taste, taking him as far down my throat as I could before gagging. I was enjoying the moans that he was letting out – the fact that I was pleasuring him so much turned me on even more – and I began using my mouth on him rhythmically now, in time to Stefano's thrusts. I looked



"He fed his bulging, musky tool into my waiting mouth"

up at him with my best doe-eyes, knowing that it would drive him crazy – it usually does with men – and I was right. Franco was loving it, grabbing the back of my head with both hands and holding it while he skull-fucked me. Well, he was until I felt Stefano's hips bucking under me, and I let go of Franco's prick, only able to concentrate on the battering I was getting from below, clamping my pussy tight around Stefano's cock as he shot his load inside me.

Obviously slightly annoyed, virtually the second Stefano's body went limp; Franco hauled me off him and lowered me, my pussy dripping spunk and juices, down onto his own prick. Then he laid me back on the grass and took his turn at fucking me. And I wasn't disappointed! Gazing right into my eyes, he slowly and deliberately thrust as deep as he could,

his cock burrowing into my cunt. I clung onto him, each thrust sending a series of waves of ecstasy through my entire body. Sensing I was close, he upped his speed but kept looking into my eyes as I came hard,

"The horny guys stroked their dicks as we performed for them"

the climax making my whole body shudder and my swollen clit throb. Very soon I felt a second warm rush of spunk inside me, and my pussy again rippled tightly around his shaft. I felt a bit like the cat that got the cream!

WorldMags.net

I was due to meet Simone in a café when she finished work that evening, and the two guys came along with me. She didn't look quite as surprised as I'd expected her to when she first saw me with them, which led me to think that she'd already told them about me in advance.

When we all got back to Simone's place, I was right to wonder if I'd get any cock when she got in on the action – not because she hogged the boys' attentions, but because she was too busy licking out my pussy for them to have a chance to get their pricks anywhere near it! This was another surprise – she'd always been quite touchy-feely with me, but always in a friendly rather than a sexy way. Despite having had more than a few affairs with women, I didn't know Simone was into girls, and even if I had I would certainly never have envisaged this! Having her suck on my clit was enough to bring me to an amazing orgasm in just a couple of minutes, and she'd have started all over again if Franco hadn't told her it was my turn to make her come. The guys were obviously enjoying the show, sitting back stroking their own dicks as we performed for them.

Next thing I knew, Simone was kneeling over my face, rubbing her soaking wet pussy against my mouth. I stuck my tongue inside her in a lapping motion and a load of juices gushed out and dribbled down my throat. Then I felt Franco plunge his cock into my soaking fanny in one fell swoop, with no warning at all. This time, though, he raised my legs up on his shoulders for the deepest fuck possible and I was so glad he did! I felt the head of his fat, veiny prick bumping up against the top of my cunt, causing me to moan with pleasure. I was also really getting into eating Simone's pussy, and I must have hit the spot when she started grinding and rubbing it against my lips.

She cried out when she came, juicing a little bit more into my mouth, then shuffled forward to start kissing Franco as he carried on fucking me. Straight away, Stefano, who'd been wanking himself off hard, tilted my head back and fed his cock into my mouth. At this angle he was able to fuck away at my mouth and throat, like he was fucking my pussy, and though he took it slowly and gently I soon tasted the first few drops of spunk. Then he exploded in my mouth, his cock twitching as I sucked down every creamy drop, almost at the same time as his friend pulled out of my pussy and shot his sticky goo all over my stomach.

I stayed on at Simone's for a week, and I had more fun than I've ever had before! Sometimes the boys joined us for some more group fun and other times we just enjoyed a bit of lezzie action on our own. Either way, I can honestly say I have never come so much as I did that holiday and Simone and I are already planning my second visit this summer!

True Con

Roz goes back to school for a lesson her backside won't be forgetting in a hurry...

As I'm sitting at my desk trying to write this, my boyfriend's fingers are penetrating my pussy. He knows just how turned on I feel whenever I reminisce about our visit to Alexander and he can't help himself. I'm even wearing the same clothes I wore that evening, just to set the mood that little bit more. Even before I begin telling you my story, my juices are flowing freely and his fingers slip easily inside me...

Jarod (my boyfriend) recently persuaded me to visit a professional disciplinarian. He told me that I'd been misbehaving lately and needed some serious punishment that he just wasn't qualified to give me. He told me which clothes to wear, and as I was dressing up and doing my make-up, I heard him on the phone in the next room confirming previously-made arrangements. I started to feel more and more like the naughty little girl he said I'd been.

The outfit he'd told me to dress up in made me feel like a cheap slut – shiny black stilettos, and hold-ups that peeked out below the hem of the short skirt. After we got in the car Jarod blindfolded me to heighten my sense of anticipation.

When we got there, I was taken into a room where my blindfold was taken off. I was surprised because instead of the kinky scene I'd been expecting, there in front of me was a very normal-looking, if handsome, guy offering me a seat. "I am Alexander," he began, "Jarod brought you to this correction centre because you've been a very bad girl. He told me that you've been having indecent thoughts," he informed me.

I knew from the tone of his voice that he was going to get me really wet before he even touched me. "Now stand over in the corner of the room whilst we discuss how best to discipline you." He even made me put my hands on top of my head to stop me touching myself. I felt myself cream all over the gusset of my lace panties as Jarod told him how badly I needed spanking, in order to make me reveal my dirty thoughts to this stranger.

When Alexander was ready, he summoned me over to lie across his lap. He lifted my skirt and gave me a couple of crisp little slaps before pulling my panties down to expose my firm, round bottom. He never pulled my underwear all the way down, preferring to leave them stretched around the bottom of my arse cheeks as he reached down for his cane. I braced myself for the first spank. As the cane hit my skin, the sharp, intense sensation seemed to move straight from my bum cheeks and into my cunt. I loved it. With every stroke of the cane my moans got louder, which made him spank even harder. I caught a glimpse of Jarod across the room, with his prick in his hand, grinning broadly as his eyes focused on my bright red bottom.

By now my cheeks were hot and stinging. I would have come instantly if even the smallest cock was shoved in my slit, but he wasn't going to give me the satisfaction until he had granted me his forgiveness. He made me carry out his orders like a good girl, telling me exactly what he wanted doing and how he wanted me to do it – at one point he ordered me to strip off and crawl on all fours to his 'correction cabinet'

and choose something from the array of whips and paddles. I chose a leather cat o' nine tails, with which he then proceeded to flay my naked breasts and buttocks, before telling me to put it back where I'd found it.

When I returned to my new master's lap he had his cock out, but it wasn't hard. He instructed me to take his soft prick into my mouth and keep it in there until it expanded into my cheeks. I did as I was told and didn't have to wait long for his cock to harden, filling my mouth up. As soon as it did, though, he grabbed a handful of my hair and pulled me away from it, telling me instead to suck his balls.

I did as I was told, sucking each testicle individually, taking them into my mouth and gently sucking before swapping to the other one. After a few minutes of this, he told me to pleasure his cock until he shot his hot liquid down my throat. "If you don't swallow every last drop you'll be in big trouble," he said, guiding my head down towards his waiting tool. Needed no further instruction I greedily gobbled his rigid prick into my mouth, while I softly cupped and rolled his balls with my hand.

When he finally came, I couldn't handle all his spunk and some of it dropped out of my mouth, onto the floor. I instantly knew I would receive a severe penalty, but I also knew that it would involve enormous amounts of pleasure, too, so I wasn't too apprehensive. He motioned for me to lay across his lap again, dipped his fingers into the white drops on the floor and used it to lubricate my clenched arsehole.

"My arse was lubricated with his spilt spunk"

He pushed two fingers in and the rest into my pussy, and I almost screamed as he began to pump away with them. My pussy muscles tightened, gripping his fingers as a surging orgasm rippled through my body. My frame trembling, I moaned as he pulled his fingers out and rubbed my juices around my bum cheeks, which by now were covered in red marks. I felt slightly dizzy as I got up and pulled my panties back on, leaning against Jarod for support.

Before I could say a word, though, Jarod blindfolded me again and, after quietly talking to Alexander, directed me back to the car. Unsurprisingly, Jarod then took me home to fuck my brains out, and we had some of the most amazing sex we've had that night!

I didn't have a choice but to remember that sexy experience for days afterwards as every time I sat down my poor arse cheeks would sting, but don't get me wrong – there was definitely pleasure in pain!

True Con

One man's fantasy comes true – at the horny hands of two very lucky ladies

My boyfriend is an occasional cross-dresser, which has taken me a while to get used to. But since I met him my sexual sphere has widened and now I really enjoy what his perversion can do for me. We've been reading Razzle for years now, but you rarely tackle the subject of cross-dressing, so I thought I'd write in and confess to you about one of our dirty sessions!

Imagine the best of both worlds – a guy who is a great fuck, but who also likes to dress up like a girl and be fucked. Our sex life is varied and exciting; you get to play so many games, one of which I must share with your readers, as I'm sure it will turn them on as much as it turned me on.

Nick had been away with work for two weeks and I knew he would be ready for a long, horny weekend of fucking and frolicking when he got back. So, in preparation, I checked out local online ads for the right-sounding escort in central London, before finding 'the one' relatively quickly. The ad read: 'Rebecca. Experienced English beauty with a sexy voice and stunning looks, wants to be in your fantasies. Males, females and couples welcome'.

This was perfect; her photo looked stunning, she sounded open-minded and she even had the same name as me, so it must have been fate! I called her to explain what I had planned and she was eager to get involved. I even went to see her, just to check that she was as gorgeous as she sounded – the last thing I wanted was to hire her and for her to turn out to be a minger, or something!

I wasn't disappointed, though – she was tall with long hair and green eyes, very, very sexy. My pussy was throbbing at the prospect of getting it on with her.

The night he was due, I waited by the door for him, dressed up in a tight dress and sexy heels. As soon as Nick arrived home, I wasted no time and made him shower and shave (all over) and get dressed up. His cock would not stay down as I dressed him in my bra, panties and suspenders. I pushed him onto the bed, blindfolded him and handcuffed his arms to the bedposts.

Before Rebecca arrived, I couldn't resist straddling my legs over Nick's face and forcing my pussy into his mouth. "Now look what you made me do!" I scolded him, "Clear it up!" I ordered, pulling my wet knickers aside. His tongue darted straight between my lips and up into my juicy cunt. I shuddered as I held back my orgasm, desperately waiting to share it with my sexy namesake.

The doorbell rang and poor Nick instantly panicked. "Don't worry," I reassured him, "I'll get rid of them." I let Rebecca in quietly and couldn't resist commenting on how great her breasts looked in her tight black basque, peeking out from beneath her long black coat.

We spent the next five hours teasing and torturing Nick, until he had wet patches of pre-cum all over his pretty knickers. His wildest fantasy of being dressed up like a girl and being dominated by two girls was finally coming true and he looked like a kid at Christmas!

We giggled as we each ran our fingertips over his skin, while asking him to guess

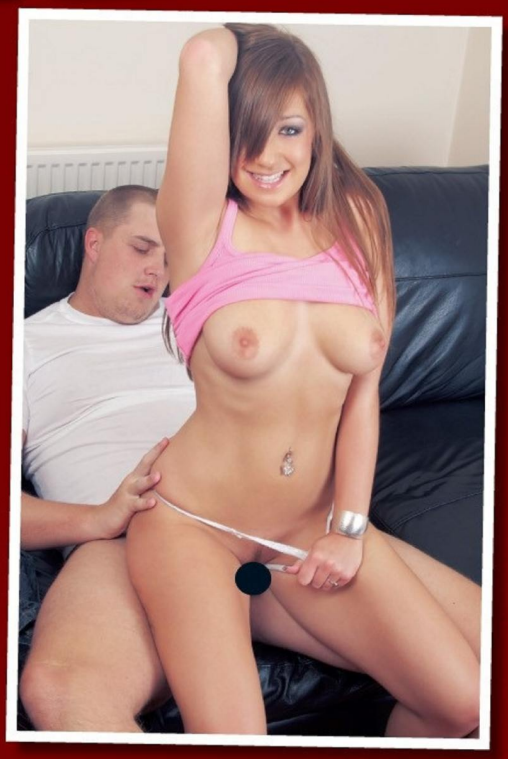
fessions!



which one of us was touching him. We touched each other up, which must have driven him crazy, not being able to see but hearing the two of us kissing and getting of on each other.

We finally took the blindfold off him and Rebecca and I performed some horny girlie action, teasing Nick. He looked like he was going to have an aneurysm, being able to see every detail of what we were doing to each other, but not being able to get involved. I couldn't leave him out for too long, as it would've been cruel, so we ended our light lesbo performance with us taking it in turns to suck his throbbing member. As I swallowed his length down, Rebecca took Nick's balls in her mouth, sucking them gently.

Then it was time to fuck him. I passed Rebecca a strap-on dildo, which I'd carefully selected from our local sex shop, and sucked her pert tits as she put it on, bringing her nipples to attention with my tongue. I put mine on and we both oiled up our artificial cocks, lingering on the hard shafts with our slippery fingers.

Rebecca pulled Nick's panties off and massaged oil around and into his bumhole, using her middle finger. "Now it's time for you to be fucked like a girl," she said as she pushed his knees up to his chest. He didn't complain – in fact, he didn't say a word! Rebecca inserted the tip of the strap-on into his hole, pushing her hips forward slowly as she did. When her false penis was shafting him, I moved myself into position and stuck my strap-on up Rebecca's dripping slit.

"She wanked him while she screwed his arse"

We were all moaning, so much so that it sounded like a filthy porno, aware that such perverse pleasure would make us climax like we'd never done before.

Rebecca wanked Nick off with one hand while she screwed his arse and I pumped away behind her, to the rhythm of her curvy, gyrating bum.

The sight of her cute pussy filled with my plastic dick made me ache to have something inside me as well. I ran my fingers down my body to finger my neglected fanny. I could not hold back any longer and pumped away at Rebecca's cunt faster, as the pace of my finger increased on my clit, making me shudder as I came. She responded by fucking and wanking Nick even harder, until they both came too, Nick shooting his load in an impressive arc, managing to splash Rebecca and getting me a bit in the process, before we all collapsed in a sweaty heap.

I couldn't believe how horny I still felt, even after such an intense climax. So I pulled Rebecca off Nick and started to kiss her passionately, my hands rubbing Nick's cum into her ample boobs. She unstrapped the dildo I was wearing and worked it into my tight pussy, telling me all the things that she would like to do to me. Nick squeezed my nipples and massaged my tits, loving the sight of me being screwed by this stunning beauty. With them both working me, I came all over again, wailing like a banshee all the while!

I'm pretty sure I'll be calling on my namesake many more times!

Rebecca, London

Tight before Christmas

Over Christmas my boyfriend Tom and I were staying with my girlfriend Helen. It was just after midnight on Christmas Eve and we had arrived back from the pub a bit the worse for wear. Tom soon fell asleep in the armchair, which disappointed me as I was feeling incredibly horny.

Helen could see how frustrated I was because she sat next to me on the sofa and told me how much she had missed a good hard shagging since splitting with her boyfriend.

Helen had always been a horny little bitch and I think it must have been the drink but I found myself getting really turned on by looking at her breasts as they moved up and down. Before I knew what I was doing, I was kissing her deeply with my tongue and cupping her tits in my hands.

I let out a sudden groan as she slid her hand up my skirt and began to rub my pussy through my little white panties. Before long they were soaked through. I groaned as she pushed them aside and slid a finger into my wet sticky hole.

Helen knew what she was doing all right and I began to do the same for her. She spread her legs to let my hand through and I pushed down inside her panties, where she was already dripping with excitement.

Just as I felt my body starting to twitch the way it does before I have an orgasm Helen stopped and stood up in front of me. She removed her top and bra, letting her 36DD tits swing free. She then slipped off her skirt and panties and led me by the hand out of the lounge where Tom was still dozing.

Helen began to climb the stairs in front of me but her beautiful arse was too much to stand and before we had reached half way I found myself grabbing hold of her buttocks and pressing my face into her crack.

She moaned out loud as I pulled her cheeks apart and darted my tongue in and out of her pussy. I didn't know what had come over me but I just couldn't help myself eating her cunt. Her juices were running down my chin as she reached behind herself and slid a finger into her arsehole.

Helen began going wild, bucking like an animal as I sucked on her clit and she finger-fucked her own arse. Then with a violent jerk of her back she began cumming.

"I started to cum as she gulped at my sticky gulch"

Her whole pussy throbbed as her cum filled my mouth.

"Suck my cunt! Suck it hard!" she screamed. She didn't have to tell me, I had never felt so horny in my life. Helen seemed to cum forever. I kept on sucking, having to swallow when her cunt juices had filled my mouth.

"If you girls can't fuck each other quietly then I'll have to teach you a lesson!" came a voice from the bottom of the stairs. Tom was standing there with his cock in his hand. Before I could say anything Tom was up behind me ripping off my panties.

Tom is a big boy, boasting a full eight inches. Normally it would take a while before my tight little pussy would accept his huge offering but I had never been this wet before and he slipped his cock right up my cunt first time.

I groaned with pleasure as he filled me but couldn't speak because Helen had turned herself around and was pushing my face into her hairy mound. As Tom began to pump his cock in and out of my hole I began to feel the hardness of Helen's clit in my mouth so I sucked it as hard as I could until she came over my face again.

We went to the bedroom and all flopped down on the bed. Helen complained that

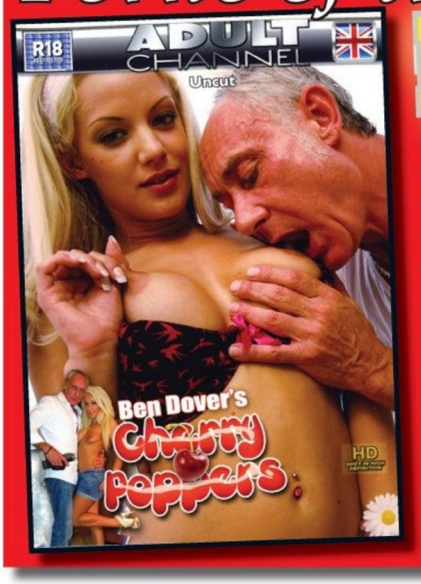
Porno of the Month



FEELS ON WHEELS

Girls who haven't yet sampled "old cock" (or "granddad cock" as old warhorse Ben Dover self-deprecatorily terms it) get their chance to help the aged in this Adult Channel production. Lou Lou (pictured), buxom Sindy Stratt, and dirty duo Lissa Love and Jordan Price are the girls helping the aged Ben Dover to keep his end up. It's not often you see old-timers prematurely ejaculate, as lovable Ben does in his remarkably horny scene with sexy slut Caprice (top right).

she needed a good fucking too. She began to suck Tom's cock. Then Tom moved in behind her while she chewed on my clit and lifted her arse into position. Slowly he began to push his cock into Helen's arsehole and as she gasped I thrust my cunt into her face, telling her to make me cum.

I started to cum again as Helen gulped at my sticky gulch. I saw that Tom was getting close to reaching his own climax so I moved forward and grabbed at Helen's bum, pulling her cheeks apart as Tom slid in and out of her arse.

As Tom pushed faster, Helen screamed that she was cumming, causing Tom to pull out and shoot his creamy load over my face. His hot spunk spurted into my open mouth, then dribbled over my tits and on to Helen's throbbing arsehole. Then I leaned forward and licked the spunk off them!

Shay likes it round the back. "No, not in my bum (although I do like that as well) – I mean in my back garden, out on the patio, the sun beating down on my naked skin, and a big cock beating away in my hot hole. If the neighbours spot me? Well, sod 'em, they're getting a great sex show! "

"Could you give me a lift... on to your boner, please!" begs horny hitch-hiker Danielle. "Sex with strangers is always the best. For all the thirty second wonders, I've also had some great shags in this lay-by. Once a guy let me fondle and frig his horny middle-aged wife while he wanked in the front seat!"

Further filth from the Razzle team!

Razzle Rates...

British, Brunette and Busty

That's three qualities that push all of our buttons here at Razzle. From naughty newcomers to old faithfuls, here are four full-on fucking fillies who'll have you running for the Kleenex in no time...

Emma Butt

Emma Butt ain't shy. In fact, if you've seen the 5' 10" brunette honey in action, you'll know that she absolutely loves her job – you just can't fake that enthusiasm! Born in Bognor Regis in 1985, Emma made her first porn film in 2007 and hasn't looked back, making 72 grot films to date and herself into one of the leading adult stars in the UK. Previously a B-cup, in September 2011 she underwent surgery to boost her already curvaceous figure to a mammoth 36G-24-34, showing off her new bust that December on Bluebird TV (for which she is a regular presenter). As well as Bluebird, she has also fucked on film for TVX, Killergram, Harmony, Relish, Naughty America and New Sensations, to name but a few. Nominated as Best Female Performer in 2010, it wasn't a huge surprise when she walked away with a Shafta Award in 2011, for Most Outrageous Scene! An avid Arsenal fan [*But we won't hold that against her – The Ed*], Ms Butt clearly enjoys anal, water sports, lesbian sex, bukkake, facials and DPs and is openly bi-sexual, making her our ideal woman. To see if she's yours, too, check out some of this filthy minx's work – we thoroughly enjoyed her performances in *Obscene Gangbang Sluts* (Pumpkin Media), *Wicked Ones* (Harmony Films) and *Ben Dover's Bonking Barmaids* (Bluebird), all of which show Emma at her truly slutty best. As far as we could find out, there isn't currently an official website, but you can message her at www.facebook.com/people/Emma-Butt/1149310499

Paige Turnah

Gorgeous Paige Turnah may have only made eleven movies so far in her short career, but they've all been worth their weight in gold! With her all-natural 36E-27-38 figure, this booby babe has grabbed the attention of porn producers both here and in the US, making her one of Britain's most exciting up-and-cumming stars. Standing at an impressive 5' 11" without heels, the 23-year-old glamazonian was made for the XXX biz; despite having started out only last year, she easily steals any scene she's in and handles herself like a pro – watching her gobble down a stud's cock really is a sight to behold! With her peachy arse and long long legs, Paige may look like a supermodel, but most definitely acts like a slut, enjoying double-vaginal, facials, threesomes and domination, much to our delight! Having worked with big-name studios on both sides of the Atlantic – including Harmony, Relish, Daring, Brazzers and Naughty America – she's already been acknowledged by the adult industry, winning the UKAP Award for Female Performer of the Year 2011, and we see a load more awards coming her way in the next few years. Any of Ms. Turnah's movies are worth a wank, but we'd highly recommend *Real British Fisting Babes*, from PornXn and Tanya Hyde's *Psycho Sex*, by Harmony Films, both of which see this vamp at her filthy best. To keep up to date with Paige, see www.paigeturnah.com and Twitter.com/paige_turnah

Krystal Webb

Brunette Brummie Krystal Webb is beautiful. Fact. Which is why she was a runner-up in our 2010 Britain's Got Totty Awards (only losing out to Syren Sexton), and why she's graced the covers of many a magazine in her short career (she only began posing nude in 2010). Having only worked with other girls so far on film, and made a meagre six fuck-flicks to date, we still hold out hope that this 5' 4" 26-year-old will eventually give in and

take a dick in her cute quim for our viewing pleasure! With her 36D-24-32 curves and deep brown cum-to-bed eyes, Krystal is definitely a name to watch in the future – her tight arse and long legs always have us hard the second we lay eyes on her – and although she hasn't won any awards yet, give this hottie time! See this gorgeous stunner in action in the mesmerising *Bite*, the super-sexy *McKenzie's Magic*, with Linsey Dawn McKenzie, or in this year's *Anna Lovato's Catwalk* (all Bluebird productions), and follow her on Twitter, @krystalwebbxx to find out what she's up to next.

India Babe

Although Cheshire-born India has been taking cock on film for two years now, she only has 24 movies under her suspender belt. However, as those 24 are pretty fucking filthy, the busty babe has obviously gone for quality over quantity so we'll let her off! Having worked with quite a few British companies, including Harmony Films, Killergram and Bluebird, the raven-haired beauty has proved that she can more than hold her own against her contemporaries; her very horny threesome in *Angel Long's Fresh Meat* springs to mind! One of the few British porn stars of Indian descent, the 5' 7" sex bomb boasts a mouth-wateringly curvy 38F-24-36 figure and fucks like a machine, making every one of her films special. There are quite a few we'd recommend, but have narrowed it down to the following movies: *Glory Hole Gaggers* (Harmony), *Hardcore Nurses* and this year's *Angel Face* (both by Bluebird Films) all made us cum buckets. You should also keep an eye out for 2011 AVN Award winner (for Best Foreign Feature), *Alice: A Fairy Love Tale* (also by Bluebird), in which India has far too much fun playing the Queen of Hearts. And if that's not enough, you can always catch up with India and her antics at http://twitter.com/INDIABABEXXX
